Current Status of Occupational Health and Safety Management in China  
New Safe Production Permit  
Legal and Regulatory Framework For Occupational Health and Safety  
In China, in order to ensure the safety and health of workers, the safety management of production is being strengthened by the "Five-Year Plan for National Economic and Social Development" and "Safe Production Law". In particular, the "Safety Production Law" that came into effect in 2002 has been ser...
