

Network switch german shrunk kiosk battery unit

Vintage German Shrunk made and purchased in Germany in the 1980's. Well taken care of and in great condition. Separates into three different pieces. Glass display shelves. Drawers and ...

Used (normal wear), German shrunk wall unit. Bought this while living in Germany. Oak. Skeleton keys. The center display piece) does have a piece of broken glass from moving which could ...

In the end the switch could turn on normal and I could play with my switch without any problem. My real problem is that now, 2 days ago (today we are on 06/21/2019), the switch downloaded ...

Now yours sounds closer to mine in that it's 5 pieces when broken down and is more clothing armoire than a wall unit. It's 8 pieces 2 doors, 4 panels, top and bottom.

With the purchase of a Diebold shrink unit, you are opting for comprehensive support and perfect service. If required we provide you with a loan unit. This service is free of charge during the ...
